

2016 National Boys and Girls Club Week

March 7-11

Activity Schedule

Monday

Vision Boards

Club members will brainstorm their personal goals, writing a statement of intention for each. They will collect visuals from magazines & map out the visions of their Great Futures!

Tuesday

Vision Boards

(continued...)

Picking up where they left off, members will continue to gather and arrange their visuals onto final paper. Once all our visuals and statements are glued down, all that's left is for club members to make turn their visions into realities!

Wednesday

"Define a BGC Kid"

Club members will choose one word which they think describes a Boys & Girls Club kid. They will then learn how to "bubble" their word, adding unique patterns and textures to each letter.

Thursday

"Define a BGC Kid"

(continued...)

Members will have an opportunity to finish adding designs and color to their "bubble" word(s). Completed pieces will be added to a bulletin board display!

Friday

Anyone Can Paint!

Club Members are invited to the Art Studio to participate in a guided painting class led by our professional Staff. Up to 9 members per session will be walked through the entire painting process, step-by-step, & leave with a completed masterpiece! No prior artistic experience required
